## Fairy Stone State Park Stuart's Knob & Little Mountain Trail Systems Guide

Stuart, Virginia

Virginia State Parks provide **A Natural Legacy** of outdoor activities and programs. They are an important part of DCR's efforts to promote a strong conservation ethic. These efforts ensure that the best of Virginia's natural resources will be protected and available for future generations.

For your safety and to preserve the natural beauty of the park, please disturb nature as little as possible. Stay on the trails and be cautious around cliffs and drop-offs. Never pick flowers or plants. Leave animals alone.

Please don't litter. A free trash bag is available at the park office or visitor center to use for the collection of litter while you're hiking. With just a little care, you're sure to have a safe and fun time in the park!
